

Elevating the
Business of Healthcare

Expert Strategy, Services, and Solutions

At Intellis, our team shares a deep-rooted passion for innovation and education, and a serious hunger to solve healthcare's biggest challenges. That's why Intellis is a trusted provider of health information management services and solutions that deliver value-based outcomes across today's complex healthcare landscape.

Forward-looking Solutions

Health networks, hospitals, and practices depend on Intellis' flexible IQ Suite of solutions, end-to-end strategies, and technical acumen to simplify and overcome revenue cycle management and data quality issues. Our breaking boundaries approach to ensuring quality challenges norms with a "we can do that" approach that creates customer satisfaction and builds relationships.

Expertise and Experience

The Intellis IQ Suite of services is delivered and managed by our team of strategic advisors averaging 25 years of healthcare industry experience. Our expertise, best practices, and agility bring meaningful solutions to life and deliver value to providers and patients. Our trusted advisors partner with clients and overcome the challenges and capitalize on the opportunities across the healthcare business continuum.

The Intellis IQ Suite includes revenue cycle management, health information management, clinical documentation improvement, health information technology, and education and training solutions.
